2023 Sign Fundraiser

December 2022

It may be the Holiday Season; however, McQueen Baseball is preparing for our 41st baseball season and our fundraising efforts are in full swing! One of our main fundraisers is our baseball field sign program. Thanks to this program, and the support of many local businesses, we've been able to install new turf in front of both dugouts, completely replace the infield irrigation system, install a new backstop net, purchase a tractor and infield drag equipment, and continue to manage on-going expenses for field maintenance, equipment, travel, etc.

Our players, coaching staff, school administration, and parents are truly grateful for the community's support of McQueen Baseball. In 2023 our world famous snack bar will be open and we will host our annual Little League Baseball Camp and Poker Night.

The 2022 McQueen High School Baseball season was very successful. In 2022 we rostered 18 Varsity players and 19 Junior Varsity Players. Both JV and Varsity posted winning records and Varsity had a competitive post season as well as summer ball. One of the final highlights of the 2022 season was to have one of our players, Robbie Snelling, drafted with the 38th pick of the 1st round to the San Diego Padres.

McQueen Baseball is a 501c3 non-profit organization focused on the direct support of McQueen Baseball and facility. Please consider supporting McQueen Baseball by purchasing a sign for your organization. A simple tax-deductible donation can be made through any of the following methods:
